

PRAYER POINTS

Week of January 3

Prayer Points from ministry leaders around the world:

- A Resonate missionary in the Middle East was recently able to start a trauma healing ministry with women living in a shelter. These women have experienced so much pain, and your missionary has been waiting patiently for a year to start this ministry. Pray that the Holy Spirit works powerfully to heal these women.
- "Pray for wisdom and discernment to articulate and embody the good news of Jesus in a multifaith context," asks Mike Wagenman, a Resonate partner campus minister at Western University in Ontario. Ask the Holy Spirit to work powerfully in and through this campus ministry in the coming semester.
- Resonate missionaries Ken and Jeannie Lee give thanks for 34 people who joined partnering churches in Japan during the pandemic! Pray that these individuals may continue to learn more about Christ and grow as disciples.
- Pray for Artesia City Church, a Resonate partner church plant in California, as they seek to share the good news in their community.
- Tesoros de Dios is a Resonate partner in Nicaragua that serves children with special needs and their families. Resonate missionaries who serve with the ministry ask you to pray for health and healing for the community, as many are ill or caring for those who are ill.
- Resonate missionaries Tony and Stacey Meyer, who pastor Mountainview International Church in Spain, ask you to pray for the growth of the church. Please pray that more people will join the church, but also that members will grow in their relationship with Christ.

Your prayer matters!

We recently asked you to pray for Resonate missionaries Luke and Kelsey Carrig as they pastor a church in Ireland. Thank you for praying!

"After a season of heavy restrictions our small community has returned with renewed vibrancy and engagement," they said.

Please continue to pray for more opportunities for this community of Christ followers to share the gospel in their community.

Thank you for your faithful prayers. To subscribe to Prayer Points, visit www.resonateglobalmission.org/subscribe
