

Pharmacies - Book Your Free February 2024 NHS Health Check Training Now!

Dear Pharmacies,

Following a recent Training Needs Analysis (TNA) conducted by [Smart Health Solutions](#) (SHS), we are now delighted to offer a bookable NHS Health Check training course in February 2024. The sessions have been created based on what you have told us you would like from a training programme.

You can still give us your thoughts via the TNA to shape future training (including locations and online etc.), via the links below.

TNA if you are part of a pharmacy:

Free NHS Health Check Bookable Training:

Norfolk County Council Public Health recognise the importance of NHS HCs within community pharmacies, which are reflected in the contractual continuation arrangements as well as being able to provide this fundamental training for free.

An in-person training session has been booked for February 2024 for staff in pharmacies. The training will cover many learning outcomes and will provide you with the knowledge and confidence to deliver NHS HCs and communicate risk effectively. The training will be delivered in a comfortable environment with food and refreshments included.

Venue confirmations and further training will be communicated to you.

Places are limited, but more training will be offered through 2024 and beyond. **Please see the attached poster for more information and to book your place today!**

Yours sincerely,

Suzanne Wilkin
Health and Wellbeing Commissioner
Norfolk County Council Public Health
